Dear Esther Oseroff:

This is to acknowledge receipt of your application and fee to apply for licensure of Continuum. Please review the instruction sheet that you received with the application to apply for licensure so that you are aware of the process for obtaining licensure of your facility. If a certificate of need is required to provide services, you will need to contact *Health Services and Developmental Agency* at (615) 741-2364.

Please remember that if you are applying for licensure of a facility that requires an architectural plans review contact Plans Review for complete details and procedures at (615) 741-6998. You must submit those plans along with the plans review fee prior to scheduling a survey. **For Homes for the Aged facilities specifically; TCA-368-11-202 allows "schematics shall be submitted to the department for approval of plans and specifications, converting and existing single family dwelling" with six (6) or less beds.**

It is your responsibility to contact the West Tennessee Regional Office to request a survey of your facility. Please submit the request in writing to West Tennessee, Regional Administrator, 295 Summar Drive, Floor 2, Jackson, Tennessee 38301. If you would like to fax the request to Kathy Zeigler the fax number is 731-427-0407.

Your application and fee will be held in a pending status until you are recommended by the Regional Office for licensure. Once the recommendation for licensure is received from the regional office, your facility will receive a letter for "Initial Approval." Admission of patients MAY NOT occur until the facility's receipt of the "Initial Approval" letter. Your application will be presented before the Board for Licensing Health Care Facilities for ratification and final approval at the next regularly scheduled board meeting. Your facility CAN operate once you receive the "Initial Approval."

This application will only be good for one (1) years from the date of receipt. If the initial licensure has not occurred within that one (1) year period you will be required to submit a new application and fee unless you have contacted our office in writing extending your application.

In the event that a certificate of need is required prior to obtaining a license for this facility the application file will be closed the day following the expiration date of the certificate of need.

Should you have any questions or if I can be of assistance to you please call me at (615) 741-7202 or you may email me at Mary.2.Clark@tn.gov.

Sincerely,

Mary Louise Clark
