Provider Type

Public

The Clemmer College of Education and Human Development provides a student-centered community of learning and development, reflecting high standards, and promoting a balance of education and professional practice through continuous improvement. The college conducts a wide array of academic programs, clinical, and community services including research and practice Centers and one of the nation's leading K-12 laboratory schools. Relationships are essential to our work as we provide the foundation to advance the level of educational attainment, healthy development, and well-being in the multi-state region, nation, and globally based on our core values of Collaboration, Belonging, Leadership, Scholarship, and Innovation.

## Leaders in 3-Year Cohort: 29

Cohort Members per Year

Year	Value
