C.2. **Procuring Party Account** – This account is required for all Procuring Parties **submitting a Contract and paying necessary fees** for access to the TDOT GNSS Reference Network. The required fees for simultaneous access point(s) for this Contract are a contract processing fee of \$150.00 and a partial year cost of \$25.00 per month per number of simultaneous access points. The partial year cost of \$25.00 per month per number of simultaneous access point(s) will be required for every full or partial month from the date of the Procuring Party's signature to the contract end date. For example, if a Procuring Party submits their signed contract and fees on October 31, 2024, with a start date of October 1, 2024, there would be nine (9) months in the Contract, and if the Procuring Party requests one (1) access point, then the required fees for the access point will be the \$150.00 contract processing fee and a total monthly cost of \$225.00 = (\$25.00 x 9 months x 1 access point) for a Contract Total Fee of \$375.00.

- a. Included with this executed Contract, the Procuring Party shall pay the following amount as a contract total fee for processing of the Contract, for partial year costs, and for annual recurring costs for the life of the Contract for access to the TDOT GNSS Reference Network services:
- b. New User Procuring Party Account Fee Structure (Procuring Party Completes this Section)

Contract Processing Fee: (a) = \$ 150.00

Partial Year Cost per Access Point(s): (b) = \$ 25.00 x Total # of Months = (b) Total/Access

Contract Total Fee = (a) \$150.00 + [(b) Total/Access x (# of Access Points)] = Total Due

- C.3. **Addition of Simultaneous Access Points to Existing Contract:** If the Procuring Party desires to add simultaneous access points after this Contract has been signed and the fees have been paid, the Procuring Party shall submit a written request to the State specifying the number of additional access points needed. The State shall then prepare a written amendment to the Contract to be signed by all parties. The amendment will be submitted with the required additional fee(s) described below:

Required fees for adding simultaneous access point(s) are a new contract processing fee of \$150.00, a partial year cost of \$25.00 per month per number of simultaneous access point(s) added. The partial year cost of \$25.00 per month per number of simultaneous access point(s) will be required for every full or partial month from the date of the Procuring Party's signature to the contract end date. For example, if a Procuring Party would like to add two (2) additional access points and they submit their signed contract and fees on October 31, 2024, with a October 1, 2024 begin date, there would be nine (9) months in the Contract, and the required fees for the two (2)

additional access points will be the \$150.00 contract processing fee and a total monthly cost of \$450.00 = (\$25.00 x 9 months x 2 access points) for a Contract Total Fee of \$600.00.

The State and the Procuring Party hereby agree, warrant, and assure that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the State or the Procuring Party on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law.
- D.8. Records. The Procuring Party shall maintain documentation for its transactions with the State under this Contract. The books, records, and documents of the Procuring Party, insofar as they relate to work performed or money paid under this Contract, shall be maintained for a period of five (5) full years from the final date of this Contract and shall be subject to audit, at any reasonable time and upon reasonable notice, by the state agency, the Comptroller of the Treasury, or their duly appointed representatives. The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.9. Strict Performance. Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision.
